

The British Society for Gene Therapy Invites The French Society for Cell and Gene Therapy To London on Friday 9th March 2012

The Local Organising Committee for the BSGT London 2012 Conference are delighted to present to you the following outline:

Following on from the success of our recent collaborative congress with the ESGCT in Brighton, we are arranging a single day [event](#) with the aim of showcasing the work of young scientists. Everyone in the stem cell and gene therapy community is welcome and encouraged to participate. As an additional motivation for early career scientists, MSc students, PhD students and early post-doctoral researchers, will have the opportunity to get involved in all aspects of the conference and organisation. This will include reviewing abstracts, chairing sessions and presenting data.

Delegates are encouraged to make their own reservations at any of these local hotels and hostels (in no particular order):

Registration and Abstract Submission is available at www.bsqt.org

[Holiday Inn, Corham Street](#) **Bed and Breakfast rate** (Full English & Continental Breakfast and Accommodation) £135 single, £145 double. Guests need to phone reservations on **0871 942 9222** and quote the allocation code provided (**BSG**) to book a room.
